

Eagle Pack Reformulates Dry Dog and Cat Foods

October 23, 2014

WellPet's **Eagle Pack** pet food brand has reformulated its dry dog and cat food. The formulas are now corn and wheat free, and they feature highly digestible protein as the first ingredient, in addition to an optimal balance of fats and carbohydrates.

“Eagle Pack has naturally fueled active pets for decades. We take great pride in providing pet parents with a natural, American-made and performance-proven food for their beloved pets,” said Kim Silva, Eagle Pack’s brand manager. “Our new formulas are the most advanced foods Eagle Pack has offered to date, and we’re excited to continue to support

pets that count on us.”

Produced in Eagle Pack’s own manufacturing facility in Mishawaka, Ind., Eagle Pack natural dry dog and cat food are available in the following formulas: Original Chicken Meal & Pork Meal Formula, Original Lamb Meal & Brown Rice Formula, Large & Giant Breed Formulas, Small Breed Chicken Meal & Pork Meal Formula, Reduced Fat Formula, Power Formula, Original Cat Formula and Indoor Cat Formula.
